OF OHIO.

FOR VICE PRESIDENT,

OF NEW YORK.

REGISTER.

Recollect that there is only one week more in which to register. Registration closes on Wednesday, the 20th instant. Every Republican's name should be enrolled. If you have not registered, do so at once. Don't delay until the last day. Register now.

OHIO AND INDIANA.

Full returns from the elections in Indiana and Ohio will not be received until to-morrow or the next day. The dispatches received show that Ohio has given a good Republican majority and that Indiana has probably gone Republican by a small majority. Republican gains are reported in both States.

INJUSTICE TO IRISHMEN.

The Democrats rely upon the Irish for votes, but the Irish cannot rely upon the Democrats for office. The Southern element controls the Democratic party. If there are offices to be filled, brigadiers must fill them. No wonder the Irish papers complain of the injustice done the Irish by the Democratic party. Here is a case in point:

Brigadier General James Shields, a naturalized citizen of Irish birth, was a gallant Union officer, coming out of the war maimed and disabled. In 1878 he was nominated by a Republican in the House of Representatives, for the office of Doorkeeper. A Democrat nominated General Charles W. Field, a Confederate brigadier of Georgia. The vote stood as follows:

	SHIELDS.	FIELD.
Confederates	0	51
Border Democrats	0	30
Northern Democrats	1	42
Republicans	100	0
Totals	101	123

Isn't this enough to make the blood of any Irish-American boil within him? We should think so.

THE CONSTITUTIONAL AMENDMENTS.

The proposed amendments to the Constitution of Nevada should be unanimously approved by the people.

The amendment to strike out the word "white" is merely formal. The 15th amendment to the Constitution of the United States annulled that word in our Constitution ten years ago.

The proposed amendment providing that no public funds shall be used for sectarian purposes is in perfect keeping with the spirit of the age. It is fair and just to all sects, because denying aid to all. No sectarian appropriation can be made with justice to all tax-payers. Let not a cent be diverted from the public schools.

THE VOTE OF 1876.

The following table shows how the electoral votes of 1876 were finally counted:

The Truckee *Republican* says that G. F. McGlashan, former proprietor of the *Republican*, has been employed to take charge of the Santa Barba *Free Press*, to succeed Glancy, who was recently assassinated.

TWO SIMPLE SYLLOGISMS.

Hancock cannot be elected without a Solid South. The South can only give a solid vote through violence and fraud. Therefore Hancock can be elected only through violence and fraud.

The election of a President by violence and fraud would be a disgrace to the country. Hancock can only be elected through violence and fraud. Therefore the election of Hancock would be a disgrace to the country.

The "Fowler interview," which seems destined to have an enduring fame, was held between Gen. Grant and Prof. C. H. Fowler, D. D., who was until recently editor of the *Advocate*, a leading Methodist paper published in New York. He is now missionary Secretary of the Methodist Episcopal Church. General Grant talked freely to Dr. Fowler, and after the interview gave his written consent to its publication, under certain restrictions as to time. The conversation took place in Gen. Grant's library, at Galena, on the 21st of September. Gen. Grant then gave the inner history of the celebrated order 40.

The Few York *Sun* publishes an account of the death from hydrophobia of a young man named J. L. Martinette. The bite which is alleged to have caused his death was inflicted by a dog eleven years ago. It gave no trouble until the symptoms of hydrophobia developed themselves a few days before the man's death. Dr Abercrombie, and Dr. Youlin of the Hudson County Board of Health pronounced the case one of hydrophobia Two other physicians interviewed were of the opinion that the patient had been frightened to death.

Joseph Morehouse, leader of the Fulton Street Church Choir of New York, died last week of hydrophobia. His case was one of the most violent ever known, it sometimes requiring the full strength of six men to hold him. He was bitten by a pet dog on the 29th of June, but experienced no trouble after the wound had been cauterized, until three days before his death, when he was seized with spasms

Judge Rising, of Storey, has refused to grant naturalization papers where the applicant could not speak English, on the ground that the inability to speak the language of the country shows indisposition to the well-being of the Government. This is an important ruling in law. It is a decision which is fully endorsed by common sense, whatever the legal authorities may say about it.

The gross earnings of thirty-four of the principal railroads for the month of September amounted to $15,365,964 against $12,551,559 last year—an increase of $2,814 407. There can be no better evidence of a revival of business.

When the doors of the penitentiary last Monday closed on Robert St. Clair for twenty-five years, he no doubt felt very sorry that he had killed a neighbor because of some trouble about water rights.

A Port Jervis, N. Y., boy of ten was ordered by a school teacher to kiss a girl of twelve whom he had slapped. He took two thrashings rather than kiss her.

This is a bad time for Blaine's voice to be giving out, but if Hancock's voice will only keep good until November the Republicans will be sure to win.

The Democrats talk about "the bloody shirt" whenever any reference is made to their war record. But who ensanguined the garment?

A Brooklyn mother, determined to name her infant son after the next President, calls him "Garfield Hancock."

Once let the sinister Solid South get possession of the Government, what power can ever deliver the Nation from its clutches.

Hancock's physician testifies to his physical health, but the best evidence that the general is mentally groggy comes from his own mouth.

Slosson is credited with having recently made a run of seven hundred points in a practice game of billiards.

The wires were down yesterday between Cheyenne and Laramie, preventing the transmission of Eastern news.

Republicans hope that Hancock will express himself freely and write some more letters before November.

Indiana has no registration law.

MISCELLANEOUS.

At Courneuve, Paris, Gen. Schramm, aged 61, was robbed of $120,000 while asleep.

Edward J. Murdock of Cincinnati robbed his widowed mother of $7,000, the extent of her fortune, and ran away.

A turtle has lived forty-three years an the neighborhood of Kinderhook, is shown by the various dates cut in his shell.

A goat society is the last English hobby. An Earl is the President, and every poor man, according to the programme, is to have a goat.

A Peruvian woman at Lima publishes an appeal to her sisters to pour boiling oil from the tops of their houses on the heads of invading Chillenos.

Rebecca Rothschild, a young Jewess of Indianapolis, sues Thomas M. Dickinson, a wealthy Christian, for $20,000 damages for breach of promise.

At Logansville, Wis., Henry Raetzman married the girl whom Otto Riggert wanted. Otto went to the wedding with a knife, and when the ceremony was over he stabbed the bridegroom three times.

A wealthy man of Detroit, whose wife and children were on the steamer Marine City when it burned in Lake Huron, and escaped with their lives, has given $1,000 worth of gold and silver watches to the officers and crew.

Sunday school children are no longer taught to believe that Lot's wife was turned into a pillar of salt; but in the "International Bible studies" for Sunday schools, it is said that she was caught in a storm, which "suffocated her, encrusted her, and possibly burned her to a cinder."

A remarkable woman, Mrs. Mary Ann Dean, died lately in St Louis. She was 37 years old, and had been married twenty years. She was the mother of twenty-one children, of whom there were three pairs of twins, two sets of triplets, and four were born at one birth. Ten of her children are living.

A Hungarian officer named Szerkremesky swam across the Platten Sea. The distance was twenty English miles, and the time seventeen hours. The swimmer did not suffer from exhaustion, and frequently conversed with the occupants of a boat which accompanied him The only refreshment taken was a little wine.

PACIFIC COAST NEWS.

Two carrier pigeons released in Virginia city, flew to San Francisce in 5 hours and 45 minutes.

It is expected that trains on the Carson and Colorado narrow gauge will be running to the south end of Walker Lake by the middle of December.

In a drunken row at Carson, on Friday, a squaw was stabbed and killed. A man named Cannon sold the Indians the whiskey. Now the Carsonites talk of firing that Cannon.

Several of the ladies of Carson, says the *Times*, of that city, are developing into first-class billiard sharps, owing to the facilities afforded by the Reform Club rooms.

The Board of Equalization for Eureka county refused to lower the assessment of the Central Pacific from $9,000 to $6,000 per mile. The assessment stands as made by the Assessor, $9,000 per mile on the main track of the road passing through Eureka county.

In Modoc county, near Goose Lake, a few weeks ago, a man named Carroll left his mowing machine standing in the field over night, and when he returned in the morning fonnd that a grizzly had visited it, and evidently had tried to find out how it worked. He had first taken hold of the tongue and turned the machine half way round. He then broke open the tool box, mashed the oil can and tore up the cushion.

SOLID SOUTHERN SENTIMENT.

Another Man Hancock "Insulted."

From a Recent Speech by United States Senator Vance, in Warren County, North Carolina.

The South asks no bold and unfair thing when she demands her rightful compensation for homes destroyed, farms laid waste and pillaged, property stolen, and slaves released by the Yankee plunderers who lived upon us and then refused us bounty. And it is time that the North should understand this. It is time that the North should understand that it must atone, as far as it can, for all that the South has suffered in body, pocket and soul. Our time is coming, boys, and the long purgatory that we have gone through will only make our paradise the brighter when we get there.

Payment for Slaves Hoped For.

From the Macon, (Ga.,) Telegraph and Messenger (Dem.)

We cannot but indulge the hope that when we have helped to extinguish the public debt, and time has healed the gaping wounds of the past; when reason and brotherly love shall have fully regained the ascendancy over prejudice and hate, even though it shall be in the next generation, a brave and honorable people of the same blood and lineage will see to it that the *value of our property in slaves shall be returned to those from whom it was wrongfully wrested.* It will do no harm to keep this question before the people, that they may preserve the records and proper memoranda of their former slaves, in the event that a returning sense of justice on the part of the Federal Government may compensate them, at least in part, for the loss of this portion of their rightful property.

Grant's Opinion of Hancock.

From the Fowler Interview.

Dr. Fowler.—"General, do you think Hancock is in sympathy with the South?"

Gen. Grant.—"He is crazy to be President. He is ambitious, vain, and weak. They will easily control him."

JOTTINGS.

—Judge King will open Court in Genoa, Oct. 18.

—Barney Fitzgerald will be tried on Monday, the 18th.

—The colored men of Washoe county are solid for Garfield.

—Hon. J. P. Foulks advertises 4 teams to haul wood at Verdi.

—Reported to-day that Fair's sack was brought down from Virginia last night.

—There are 878 voters registered. There were 944 registered at the last election.

—The suit of Lake vs. Lake will come up the District Court on Friday at 10 A. M.

—The case of the Orr Ditch Co. vs. the Reno Water Co. was on trial in the District Court to-day.

—That was a fine spread in the new Delta saloon last evening, and visitors were hospitably entertained.

—The office of the Farmers' Co-operative Association has been removed to Blakely's store, where debtors are requested to pay up.

—The Italian vote will cut a figure in the local election. About forty-five Italians have been naturalized during the present term of Court.

—Whatever significance the wise man may attach to the October elections, he will consider that there is a decidedly cold outlook for November, and will go to the polls next month in a comfortable overcoat or ulster purchased at the White House.

—The young ladies of the School For Girls yesterday indulged in the mild dissipation of riding into the country, packed in wagons as closely as sardines in boxes. In the evening they had a "phantom party" at the Seminary, all arrayed in sheets and pillow cases. To-day they resumed their studies, with heads more or less swollen from the effects of last night's orgies.

J. & K.

The Superintendent's Annual Report Upon the Mine.

At the annual meeting of the Jones & Kinkead Mining Company, held in Reno, October 11, the following report of Superintendent J. E. Jones was read and adopted:

OFFICE OF THE SUPERINTENDENT OF THE JONES & KINKEAD M. Co.
PYRAMID, Oct, 8, 1880.

To the Board of Trustees and Stockholders of the J. & K. M. Co:

I herewith submit my annual report of the condition of the mine and the progress made in developments during the year. Since the last annual report I have caused to be erected good and sufficient hoisting machinery at the shaft and have opened and explored the 400 foot level to the extent as follows: At the 400 foot level a station was cut out and a sump sunk 25 feet below. A crosscut was run in a north easterly direction a distance of 103 feet to the wall encountering in its progress some ore of little value except at a point about 40 feet from the station was a streak of fair milling ore found assaying from $6 to $83 per ton. A drift was run on this ore a distance of 100 feet, and about 350 tons of good ore was extracted, twenty tons of which was shipped to Denver, Col. and yielded in silver and copper $183 per ton assay value, $145 net. A winze was sunk from the bottom of said drift to the depth of 25 feet exposing a body of fine ore assaying from $10 to $242. At this point fine white quartz has made into the winze which assays $86 per ton, but the quantity cannot be estimated on account of the great flow of water which necessitates the abandonment of the winze until the completion of the tunnel. A crosscut was also run southwest a distance of 147 feet where the back ledge was encountered showing a streak of ore about 16 feet wide—4 feet of which is fine silver ore and rich in copper. After striking the back ledge the 400 foot level was allowed to fill with water for the reason that the expense of freeing it was too great, there being about 20,000 gallons per day which taxed the machinery to its utmost and left no time for hoisting ore or waste, the level was therefore abandoned until the completion of the tunnel. After the closing of the 400 foot level I started to take ore from the 300 foot stope and have now on the dump some 1,200 tons of ore that will average at least $20 per ton. The stopes in this level are looking fine and are capable of supplying a large quantity of ore daily. By direction of the Board of Trustees I have erected a mill at the mouth of the tunnel capable of working about 20 tons per day which mill will be ready for work on or about the 15th inst.

Respectfully,
J. E. JONES, Supt.

Change of Mail Route Between Reno and Alturas.

Says the Modoc *Independent*: "After the 15th instant service on the mail route between this place and Susanville will be discontinued, and in the future our mail from Reno and Susanville will come around by way of Bieber in Big Valley, and we will be as bad, or worse off, than we used to be when the mail came by Adin. The people on the route labored hard for years to get it established, as it connected the three principal towns in the northern country, viz: Lakeview, Alturas and Susanville, and afforded direct communication between the Land Offices at Lakeview and Susanville, and it will be a great inconvenience now to the settlers having important business with the Land Office to await the travel of all communications a hundred miles or so out of the way. The discontinuance is due to the persons having the distribution of the mails, as for a long time the bulk of the mail that should have come by way of Susanville and Reno has been sent around by Redding. The U. S. Mail Inspector that was here last summer took notice of the fact, and consequently reported no necessity for the Susanville road."

Superintendent Sessions Returns From Eastern Nevada.

D. R. Sessions, State Superintendent of Public Instruction, returned Friday night from an extended trip over Nevada. He visited Winnemucca, Austin, Eureka, Tuscarora, Elko and other principal points. In answer to a question by a GAZETTE reporter, as to what struck him most forcibly in Eastern Nevada, he said: "The hotel keepers." He found Austin improving, and everybody generally satisfied. In Elko county the farmers have very fine crops. He liked Tuscarora. It has about 450 voters, with an intelligent population, nice homes and heaps of handsome children. There are four mills, fifty stamps, and they ship bullion every month. Within this year the Chinamen in the neighborhood of the town have taken out about $40,000 from placer claims. People in Eureka are building up rapidly, and are all confident of Eureka's future. The schools in Eastern Nevada are improving rapidly from year to year. Better school houses are building, and more care is exercised in the selection of teachers. As a general thing, the schools there do not suffer by comparison with those in the west.

Praise for Reno.

The *Lassen Advocate* is good enough to say: The people of Reno are in the greatest degree deserving of praise for their energy and perseverance. They have labored faithfully for years to make the fairs held there creditable to the State, and it would seem that their efforts should at last conquer the petty prejudices which have been manifested by neighboring communities—notably, Carson City. This latter place, in various ways, and with consistent selfishness, has manifested a disposition with regard to the Nevada State Fairs which goes far toward overbalancing any claims she otherwise might have in preference to Reno, which is pretty certain to recoil upon herself.

BY TELEGRAPH.

General Grant on the Result of the Presidential Election.

CHICAGO, October 11.

A *Tribune* Washington special says: The *Evening Star* has a telegram from New York which reports the following interview with General Grant:

Correspondent—It is known that you favor the election of General Garfield. What do you think would be the result of his election upon the business community?

Answer—I believe that the people are prosperous now. Nothing I could say would make my opinion better known than the fact that our people are doing well. I believe that if General Garfield is elected our prosperity will continue without interruption, and that we will advance in every branch of industry. I believe that if General Garfield is not elected all the good results of a long-matured and now successful business will be immediately checked.

Question—You believe, then, that business would suffer by a change in the Administration?

Answer—I believe most firmly that if General Garfield be not elected the change would result in the suspension of business. How long that suspension would last I do not say, but it would last until a new Administration, differing in policy from the present, would act. Business people would know what to expect from a continuance of the policy of the present Administration. On the contrary they would not know what to expect from a new one. That involves a change of politics. They would be nervous from the time of the election, and business affairs would be unsettled for a long time. There would be a suspicion connected with a change that would do great injury—a suspicion that a change of policy might involve losses in some way not exactly understood. It would not destroy, but it would rather cripple some branches of business and retard others.

An Enormous Vote In Ohio.

The vote polled is twenty per cent. larger than ever polled before. The militia called out by Mayor Jacobs in anticipation of trouble, were kept all day in the armory, and discharged when the polls closed.

All Quiet in Indiana.

INDIANAPOLIS, Oct. 12.

The election is passing off very quietly. There are no indications of a disturbance. Business is generally suspended and a very full vote will be polled. Only two or three arrests have been made by the police.

West Virginia Election.

WHEELING, Oct. 12.

Returns from the State come in slowly, and there is nothing yet which indicates a change from last year's vote. Returns from several precincts of this city and county indicate that the Republicans have made decided gains, and all indications point to a largely increased vote throughout the State.

Ohio and Indiana Republican.

SAN FRANCISCO, October 13.

Ohio goes Republican. The Democrats lose four Congressmen, possibly six. Indiana probably goes Republican by two to four thousand majority.

Our Exports.

It is certainly gratifying to all true Americans to know that of late years our exports have largely exceeded our imports, not alone in such staple articles as wheat and beef, but in almost every branch of industry. Ten years ago nearly all the perfumery and toilet articles used in this country were imported from Europe; to-day we not only manufacture for ourselves, but are large exporters to South America, China, Japan, and the Colonies. The immense growth of this particular industry on the Pacific Coast is simply astonishing. Slavan, who is one of the largest cologne makers in the world, last year exported some 2,000,000 bottles of his famous Yosemite Cologne. For sale by Osburn & Shoemaker. oct 13

A Sensation on the Comstock.

Virginia City had a grand excitement yesterday over the appearance of a pamphlet entitled "A Confidential Delinquent List of Virginia City, Gold Hill, Carson, Reno and Bodie." It was ostensibly a private "bad pay" list for the use of merchants, but in reality a blackmailing scheme. The list contained the names of many respectable ladies and gentlemen and was publicly peddled about town. The book bore the name of C. W. Palm & Co. as publishers, and was sold by a young man unknown in Virginia. He got thrashed three times in Virginia yesterday, and was fairly beaten out of town. When last seen he was taking the Geiger grade for Reno. Nothing but the blackmail list was talked of in Virginia yesterday. Half the town was enrolled. Numerous quarrels arose between customers and retailers, and a lawyer advertises in this morning's *Enterprise* to put debtors through bankruptcy for $50.

Proposed Amendments to the Constitution.

Add Section Ten to Article Eleven—Forbidding the use of Public Funds for Sectarian Purposes.....Yes.

To eliminate the word "White" from Section One of Article Two....Yes.

To add Article XVIII referring to Rights of Suffrage, &c.....Yes.

Against Chinese Immigration....——

To insure uniformity in the tickets and facilitate the canvassing of votes, I respectfully suggest the adoption of the above form, to be printed at the bottom of the regular ballots, for expressing the will of the people upon the above very important questions.

Your very obedient servant,
JASPER BABCOCK,
Secretary of State.

Races in Alturas.

We Can't Talk

Without showing the condition of our teeth. Every laugh exposes them. In order not to be ashamed of them, let us use that standard dentifrice, SOZODONT, which is sure to keep them white and spotless. No tartar can encrust them, no canker affect the enamel, no species of decay infest the dental bone, if SOZODONT is regularly used. It is a botanical preparation, and its beneficial effects on the teeth and gums are marvelous, as it removes all discolorations, and renders the gums hard and rosy.

If you go to the right place to get them. This is a mighty important point, for some people who assert that they sell cheap do nothing of the kind. We do not boast when we say that we defy competition in prices in anything in our line. Besides this we have only one price. We have no preferred customers. Everybody is treated alike at our establishment. Our stock is the largest and most complete ever offered in any part of this State. Everything we have is new. No old, musty and out-of-date goods can be found on our shelves. We receive daily by rail and express the latest and best goods, which are obtained at first hand and sold at prices below those now prevailing in New York and Chicago. Let the people come and judge of our prices and examine our stock before going into those humbugging, Cheap John shops, in which they drum into the ear of the customer that they sell at cost and even below cost. Anybody with common sense must know that they lie. No storekeeper sells goods for the fun of the thing. We make a profit on everything we sell, as every honest merchant does, and don't print foolish falsehoods in the vain hope of decieving the public. One must make a profit to live. We particularly call attention to our full stock of fancy underwear, such as is kept nowhere else in Reno. This class of goods form one of our specialties. Orders from the country promptly attended to. Look out for the White Building with the Gold Sign.

Summons.

IN THE DISTRICT COURT OF THE SECond Judicial District of the State of Nevada, in and for the county of Washoe.

The State of Nevada sends to George R. Hutchinson, Thomas M. Hutchinson, James Hutchinson and Louisa Stiger, heirs at law of Nancy L Wheat, deceased, and Louisa Stiger, Administratrix, and W. H. Stiger, Administrator of the estate of Nancy L. Wheat, deceased, and W. H. Wheat, greeting: You are hereby required to appear in an action commenced against you as defendants, by James A. Ferguson as plaintiff, in the District Court of the Second Judicial District, in and for the county of Washoe, State of Nevada, and answer the complaint therein within ten days after the service on you of this summons (exclusive of the day of service), if served in said county, or twenty days if served out of said county, but within said District, and in all other cases forty days; or judgment by default will be taken against you according to the prayer of said complaint. Said action is brought to recover payment of a promissory note executed by Nancy L. Wheat in her life time, said note now being the property of plaintiff, for the sum of two hundred dollars, to G. W. Jones and S. E. Jones, dated Sept. 6th, 1878, and became due in six months from date, said note and money to draw two per cent interest per month from date of note until paid. That the said Nancy L. Wheat also executed to said parties a mortgage on the south half of Lot 5, Block P, in the town of Reno, County of Washoe, and State of Nevada, to secure the payment of said note. That there is now due and unpaid, as claimed in the complaint on said note the sum of two hundred and fifty-two and 66-100 dollars gold coin. A decree of foreclosure of said mortgage and an order to sell said real property is prayed against all the defendants to said action. And there is also an order prayed for in said complaint directing the payment of said sum of money due with interest thereon from the moneys realized from the sale of said property with costs and attorney's fee, as in said mortgage provided, in the sum of one hundred dollars, and should there be any remaining moneys arising from the sale of said property, that such remainder be paid into Court to await the order of the Court for reasons set out in the complaint and for general relief; all of which will more fully appear from the complaint which is on file in the office of the Clerk of said Court at Reno, in said County. DEMOCRATIC COUNTY PLATFORM.

The Democracy of Washoe county in convention assembled declare as follows:

That we, the Democracy of Washoe county, endorse and reaffirm the principles enunciated in the platform of the National Convention at Cincinnati, in June last, and also our State Convention at Winnemucca, and heartily approve the lines of government there marked out.

Resolved. That we recognize in our candidate for Congress, the Hon. W. Cassidy, an able statesman and tried gentleman, one who, as Senator in our councils has always fearlessly maintained our principles and labored for the best interests of our State, and we pledge that if elected, among his first legislative acts shall be to introduce such a measure as will make completely operative and effective the plank of the National Platform which demands the prohibition of Chinese immigration, and that we invite to the support of our candidates every voter, of whatever political creed, who sincerely desires that our laboring classes may be forever relieved of the curse of coolie competition, and cite to them the fact that relief can only come from a Democratic Congress, and a Democratic President.

Resolved. That in the person of Judge C. H. Belknap we have an eminent jurist, one that is tried and true, and we point with pride to his past record.

Resolved. That the Democratic party has always maintained that none but residents of Nevada should represent her in the National council, and we deprecate the practice inaugurated by Jones and followed by Sharon, of corrupting, by the free use of money, the elective franchise of a free people, and we call upon all Democrats and honest Republicans to come boldly forward and assist in wiping out this stain upon the fair name of our young and growing State.
